GENEMEK

2018-2
product catalogue

With 19 years of experience,
We design and manufacture electromechanic products in-house.

2018 ultimate information system, PETRA
2017 high performance color TFT
2016 LASER cutting / CNC bending
2015 increased capacity new plastic injection moulding machines
2014 prewiring systems, CANBUS
2013 increased capacity, full automatic SMT production line
2012 sheet metal processing and injection moulding machines
2011 ultra thin surface mounted LOP and COP series, AVOX
2010 tool making, CNC, EDM
2009 designing plastic injection and deep drawn mouldings
2008 first production of mechanical parts in-house
2007 solution provider for prewired installations
2006 surface mount assembly line
2005 prewiring systems for landing and car operator panels
2004 accumulator charging devices, two-wire position indicators
2003 programmable door chimes
2002 security device for elevators
2001 programmable LED - LCD position indicators
2000 design of infrared security curtain for automatic doors
1999 established to design and produce electromechanical parts

car operator panels

6	FUSION	luxury
7	EPAK	flush mounted
8-9	AVOX AV	non-prewired
10-11	AVOX PW	parallel prewired
12-13	AVOX SP	serial prewired
14-15	AVOX TFT	color TFT indicators
16-17	PETRA	ultimate info system
18-19	MONO	scalable surface mounted
20-21	HERA	gull wing flush mounted

landing operator panels

22-23	ARENA	premium
24-25	RACE	competitive
26-27	MONO	scalable surface mounted
28-29	EC	flush mounted
30-31	RAM	overdoor indicator
32-33	UFO	simple round
34-35	CANBUS	ultrathin serial prewired
36-37	PW	ultrathin parallel prewired
38-39	AVOX	ultrathin non-prewired

optionals, indicators, keyswitches

40-41	ACC	accessories
42-43	AV-BT	push button
44	DKL	decorative finishings
45	PKD	dotmatrix LED indicator
46	MS2	parallel to serial converter
47	GENCAN	legacy CANBUS products
48-49	QUAD	push button
50-51	LCD	graphic LCD indicator
