HAKKIMIZDA

2005 Yılında başladığımız asansör kabin ve kabin içi katlanır kapı imalatı ile sektöre Teori Mühendislik markası ile girdik. Ürettiğimiz ürünlerde kalite ve estetikten ödün vermeden kısa bir sürede sektörde önemli sayılabilecek bir üretim ve satış payını elde ettik. Kurduğumuz arge sistemi ve sahip olduğumuz tecrübeli kadro sayesinde gerek yurt içi gerekse yurt dışı pazarda aranılan ve güvenilen marka olma yolunda sağlam ve seri adımlarla ilerlemekteyiz. Sektöre yaptığımız ve yapacağımız yatırımlarla Türk Asansör Sektörünün ilerlemesinde takdir edilir gelişmeler sağlamak temel hedefimizdir.

We have entered the market of manufacturing Lift Cabins and Lift Accordion Doors under the brand name Teori Mühendislik in 2005. We had an important share of sales in the market in a very short time because of our lasting quality and modern designs. We continue to grow up with strong and quick steps and have been a demanded brand both domestic and international market with the R&D system we have set up and with the support of our experienced staff. Our mission is to help to develop Turkish Lift Sector up to an appreciated level with the investments we made and will continue to make in future.
